MOVIA

Cabernet Sauvignon 2005

This wine's tannins have a rustic, iron-curtain feel until they lift off with air, revealing a complex fruit character that's firm and mouthwatering. The wine's ripeness is restrained, with scents of mint, tomato and smoke adding layers to the dark red fruit. There's some mystery to the wine that will reward further aging; if you open the bottle now, decant it long before dinner with lamb.
